### Aims and scope

The International Journal of Odonatology is aimed at providing a publication outlet for the growing number of students of Odonata. It will address subjects such as the ecology, ethology, physiology, genetics, taxonomy, phylogeny and geographic distribution of species. Reviews will be by invitation, but authors who plan to write a review on a subject of interest to the journal are encouraged to contact the editor.

### Subscription information

Volume 7 (April and October issues) - subscription price 2004: 75.00 € , 78.00 \$, 50 £ or 9.900 ¥ (handling and postage extra). A special subscription price is available to members of the Worldwide Dragonfly Association (WDA). For subscription orders and more information please contact Linda Averill, Secretary WDA, 49 James Road, Kidderminster, Worcestershire, DY10 2TR United Kingdom. <lindamaverill@aol.com>

### Cover photograph

Documented for the first time: submerged *Notoaeschna sagittata* ovipositing on the face of a rock in a rapid of the Snowy Creek, Australia, 20 January 2003; for more information see pages 33-36. Photo by Keith Wilson.
