Jan van Tol, The Netherlands

Jessica Ware, USA

Florian Weihrauch, Germany

Hansruedi Wildermuth, Switzerland

Keith Wilson, UAE

Aims and scope

The International Journal of Odonatology is aimed at providing a publication outlet for the growing number of students of Odonata. It will address subjects such as ecology, ethology, physiology, genetics, taxonomy, phylogeny and zoogeography of species. Reviews will be by invitation, but authors who plan to write a review on a subject of interest to the journal are encouraged to contact the Editor.

Subscription information

Members of the Worldwide Dragonfly Association (WDA) enjoy a discounted price for the annual subscription in 2010: 70 €, 100 \$, 52 £ or 9,400 ¥. The rate for institutions, libraries, individuals and students can be obtained from the IJO website at <<http://ijo.tu-bs.de/home.html>>. For subscription orders or more information please contact the Editorial Office: Dr Reinhard Jödicke, Am Liebfrauenbusch 3, 26655 Westerstede, <IJO.editing@ewetel.net>.
